

## ANDREW MASKERY ASSOCIATES

### Animal Health & Agricultural Supplies

Debbie & Andrew

We set up Andrew Maskery Associates in 1999 to support farmers with an expert and trustworthy local service. We deliver personally to any East Anglian door for free and offer easy access to agricultural supplies at the right prices regardless of the size of your farming business.

It's all thanks to our excellent relationships which we have with leading manufacturers: we stock 1000+ products from 40+ top brand suppliers. What's more our friendly team always welcome bespoke orders.

#### Introducing Hilary

A warm welcome to our latest team member, Hilary Stearn, who joined us earlier this year within our project development area. Hilary's interests include her horses - she ran her own livery yard for a whole decade! - as well as cattle, through life at the family farm at Brandeston. In the past, her duties have included organising agricultural

training in East Suffolk for ten years. Of course now she's at AMA, Hilary will soon be in the learning seat herself, looking forward to pursuing her R.SQP Certification studies!

**Calling all horse owners! Looking for the right equine health products at the right price? We're pleased to be associated with Nettex, UK-based experts in formulating and manufacturing animal health products for over 30 years.**

**Grooming:** Keep your horse or pony looking its best for turnout or show ring with *Nettex Tea Tree Oil Shampoo* with its antibacterial formula, perfect for dry skin and dull coats to restore natural lustre. When it comes to must-haves, *Nettex Mane and Tail Detangler spray* has a non-sticky/non-oily formula that seals and coats the hair, preventing knots and reducing grooming time. Both available in 500ml.

**Midge Control:** Prevent, control and treat Sweet Itch and feather mites with *Nettex Itch Stop Salve*. This weekly treatment soothes, sanitises and disinfects existing sores, offering instant relief to break the itch. Applied by painting, it is uniquely formulated against flies. Available in 600ml.

**Hoof Care:** Strengthen weak and brittle hooves with regular use of *Nettex Summer Hoof* which also moisturises to main hoof suppleness. Available in 500ml.

**Fly Control:** Ensure up to 24 hour protection against with *Nettex Fly Repellent Standard* (various sizes from 500ml available), a high strength D.E.E.T based formulation with added moisturisers. *Nettex Summer Fly Cream* can be used around sensitive areas: its non-greasy formula keeps skin soft and prevents drying out. Available in 600ml.

**Nutrition:** *Nettex Gut Balancer* is a highly effective prebiotic and probiotic natural yeast formulation which balances and enhances digestibility for all round equine health and vitality. Calms irritable horses by lowering acid levels and increasing blood and oxygen-carrying capacity. Available in 750g, 1.5kg and 3kg

**Calmers:** Ideal for show bag, lorry or tack room, *Nettex Syringe Paste Boost* is a handy, easy-to-administer calmer offering results in 30 minutes.
